

## Kindergarten Scavenger Hunt

Animals with  
backbones can be put  
into 5 big groups:  
mammals, reptiles,  
birds, amphibians, and fish.

Today I am going to write or draw  
pictures of an animal from each  
group that I see while I explore the  
Pueblo Zoo!

## Kindergarten Scavenger Hunt

Animals with  
backbones can be put  
into 5 big groups:  
mammals, reptiles,  
birds, amphibians, and fish.

Today I am going to write or draw  
pictures of an animal from each  
group that I see while I explore the  
Pueblo Zoo!

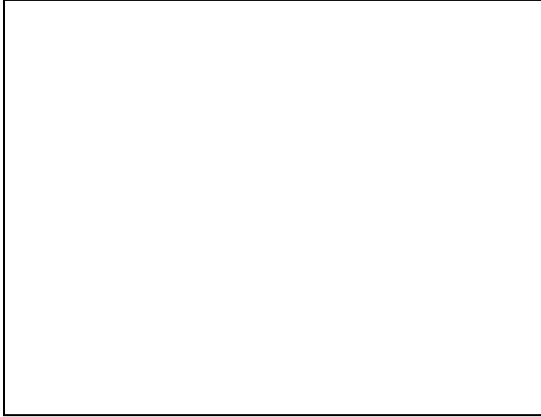

**Mammal-** Write or draw a picture  
of an animal at the zoo that has hair  
or fur on its body.
